By THOMAS C. SHOTWELL.

New York, March 7.—In a market that was almost huryant stocks advanced to day from the close, and ended with material net gains. Londers were Eric. Sicel. Union Pacific, and sended with material net gains. Londers were Eric. Sicel. Union Pacific, and sended with material net gains. Londers were Eric. Sicel. Union Pacific, and sended with material net gains. Londers were large to a sufficient sample and the consequence of the close, and sended with material net gains. Londers were large to a sufficient sample sended to be appared to the close, and sended with material net gains. Londers were large to the close and sended with material net gains. Londers were were large to the consequence of t

In the rich spoils of the popular war or capital the rich spoils of the popular war or capital war on capital war on capital war on the rich was a substantial to the control of the result of the trust is backing the Rocovech movement to frighten Taff into a speedy settlement of the trust's suit. Such a thing would be abound, for if there were the slighten etidence of such a thing Taff would be the first one to insist that There is no restlement. The best informed people believe the Steel suit will be actified, but only because that would be the houses, fair, and dignified way of ending an impossible condition. Eries rise was based on mystery. The only fact that one can set down positively is that somebody has been buying the shares freely for months, and that the movement has proceeded so far as to make it is not took at a summer them in the state of the state of

s charget alone among the along an energy of the strength of Steel was due on a region; that the unfilled orders had a region; that the unfilled orders had a region; that the stock in large the stock of the stock

hange again yesterday. Washington Gas is were the most ac-two mater of Sh.000 in the bonds being nade at 130, and 1904. Capital Traction is sold at 1904, while killway is beought 85. Georgatown Gas warrants sold fast at Telephone is sold at 1904, and Poto-nac Electric Consolidated to at 1915.

In the bank list Commercial National stock sold at 200, while that of the Na-tional Metropolitan Bank brought 229.

Leanes New Quarters. Leaner New Quarters.

Announcement was made yesterday that
the Citizens' Savings Bank, which recentry purchased the Home Insurance
Building, has leaved for a period of eleven years the building at 127 G street,
now tenanted by the American Hending
Company. The bank will take respection
Menday.

now tenanted by the American lionding Company. The bank will take received Menday. It is understood that considerable money will be expended in remodeling the building. The main hanking room will be 25 by 26 feet, with ample storage and other rooms in the basement. The plans contemplate an entrance into the Homo Insurance limiting, when occasion shall require use of additional space there. The American Security and Trust Company represented the owners. The statter front of the building will be remodeled.

To Auction Business Property.

A large piece of G street business property is to be sold at auction next. Thursday, the new three-story stere and office building at 125 G street northwest, belonging to the estate of Elizabeth R. Shoemaket. Particular interest attaches to the sale, inamuch as no auch piece of sowntown property has recently been offered at auction.

WILL NOT INTERVENE.

Department of Justice Will Not

Touch Oil Controversy.

That the Department of Justice is preparing to intervene in the controversy bemeen the Standard Oil Company and the
Materia-Pierro Oil Company was denied
yesterdag by Attorney General Whekersham. Officials of the Waters-Pierre
Countying allege they are interferred with
in the management of that company by
officials of the Handard Oil Company,
who, through their heldings, esercise undue influence over its affairs. The Watrin-Pierre Company was, previous to the
dissolution of the oil trust, a subsediary
of the Standard Oil Company.
Totariet Attorney Houte at St. Louis,
which the dispute is now in Higgston,
has been instructed by Attenny General
Wicksreham to watch the developments
and keep the department advised. Mr.
Wolkersham, however, declared, to-day
hat he "invery had any idea of intervenhat he forey idea of interven-
